# Learning Management System

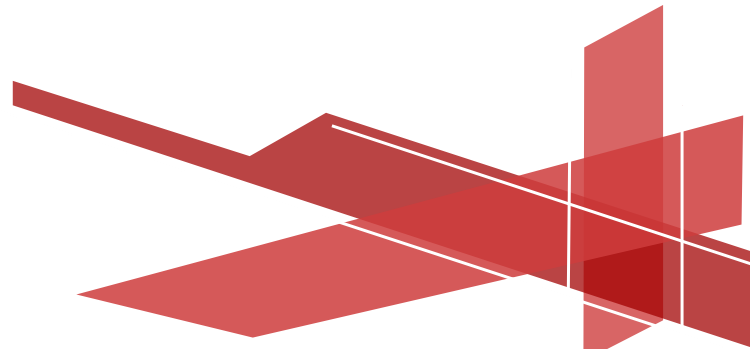

□ A learning management system is a software application for the administration, documentation, tracking, reporting, automation, and delivery of educational courses, training programs, or learning and development programs.

# Placement Test

PT

- A placement test is a test given by a University / Institute to determine the academic or skill level of a student, especially a new student, in order to place them in the correct class / Level.
- 

**AIM**

**To illustrate how the academic staff design the English placement test's questions, create the online quiz on moodle and analyzing the result via Moodle Platform.**

# Installing Placement Test on LMS-Moodle

- Placement test should be designed and created on Moodle Platform through creating Vocabulary & Grammar, and Writing Test.
- Vocabulary Grammar consist of 45 MCQ questions (20 Minutes) and Writing Test consist of one essay (20 Minutes).

Write a paragraph of no less than 100 words about one of the following topics:

- Your Best Friend and how you Met.
- The First Book you Read.

Reading book is my passion. I have recently read a book named "Pather Panchali". It was written by famous writer Bibhutibhusan Bandopadhyay. The novel is about a little village boy named Apu. The main characters of the book are Apu, Durga, Harihar and Sarbajaya. Harihar and Sarbajaya, a rustic couple, spent their days in a miserable

distress. But they dreamt of a rosy future. Apu and Durga are their children. Durga died a premature death. It was a great shock to the family. One cannot shed tears when one reads about the death of Apu' s dearest sister Durga. The novel gives us a very living picture of the beauty of a remote village in Bengal. The story reminds us of the hardship of the thousands of poor and helpless people of our country. Really it is an immortal creation of Bibhutibhusan Bandyopadhyaya
