WHAT IS AN UNDERGRADUATE SCIENTIFIC RESEARCH PROJECT?

The undergraduate project allows the student autonomy (independence) to design, plan, execute, analyze and finally disseminate their research ideas. As this autonomous element is usually unique, compared to other assessment modules with didactic lectures and examinations, the project has significant currency in scientific employment as it is the foundation of a research career.

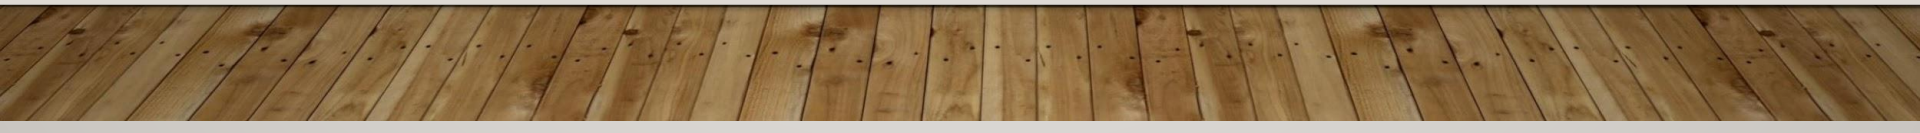

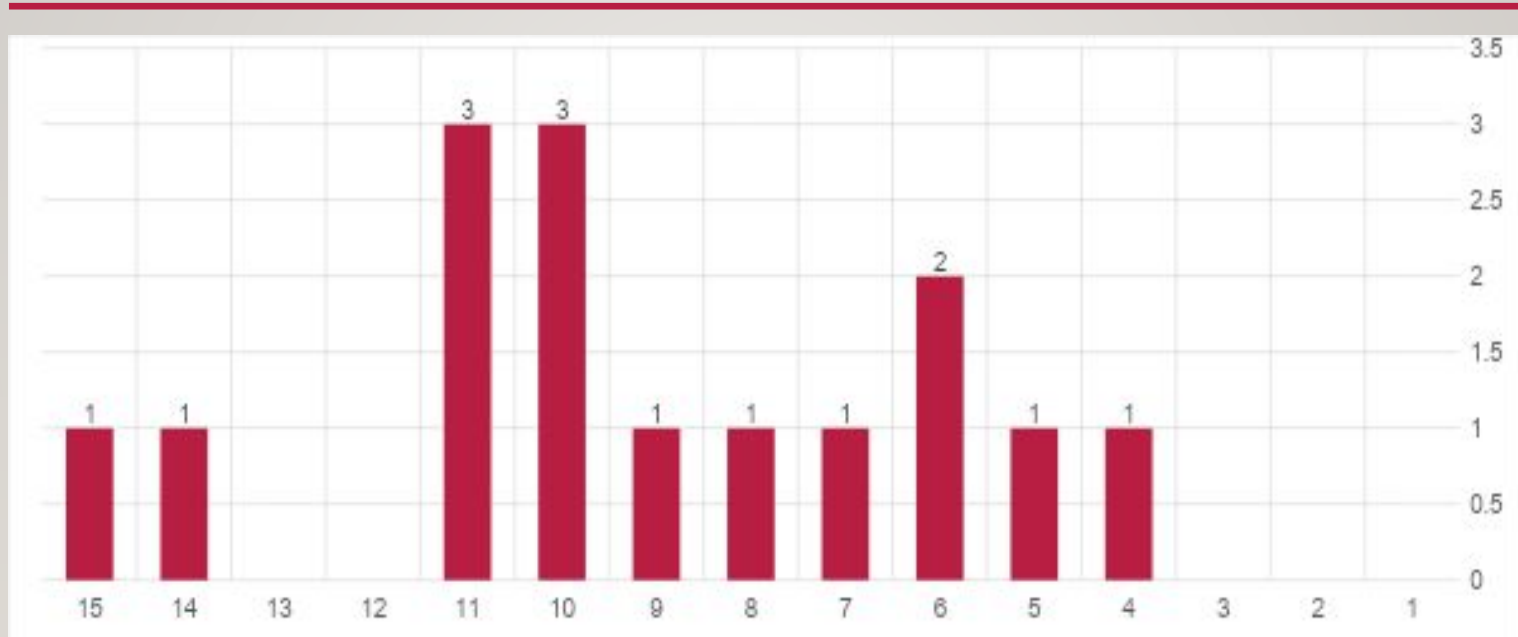

WHAT TYPES OF RESEARCH PROJECTS ARE THERE?

There are several types of undergraduate research projects common examples include laboratory, literature, meta-analysis, intervention, questionnaire and data handling.

CHAPTER I: INTRODUCTION

I-1 Introduction

Key words:

I- 2 Motivation

I-3 Problem description

I-4 Objectives of the work

I-5 Organization of the report

CHAPTER 2 **BACKGROUND (METHODS)**

- Details of relevant theory
- Review of past/reported work
- Brief introduction of project theory

CHAPTER THREE

DESIGN AND IMPLEMENTATION

3.1 Design Consideration

3.2 Design system

3.2.1 hardware, circuits, elements

3.2.2 software , flow charts , main program explanation ,
functions ,

3.3 integration system

The screenshot displays a Google Chat window within a browser. The browser's address bar shows the URL `https://mail.google.com/chat/u/0/#chat/space/AAAAAnLJOtbU`. The chat interface includes a search bar at the top with the text "Find people, spaces, and messages" and a status indicator "Active". The chat title is "smart fire fighting system project" with "5 members · Restricted" listed below it. The chat content shows a video player with a play button, labeled "Video from Hangouts". Below the video, a message from "Hassan Bijar Mahmood Ahmed" is dated "Feb 7, 8:42 PM". A second video player is partially visible below the message. A blue button labeled "Jump to bottom" is positioned to the right of the second video. At the bottom of the chat area, a text input field contains the text "History is on" and is accompanied by icons for text, emojis, attachments, and video. The browser's taskbar at the bottom shows several open PDF files: "Chapter one Mina....pdf", "Chapter one Mina....pdf", and "water-quality-mon....pdf". The system tray includes a search bar, a weather widget showing "17°C", and the system clock displaying "10:47" and the date "٢٠٢٢/٠٢/٢٥".
