

e-QA Process at Cihan University

Prepared by :
Mrs. Nagham Ismael Yahya
QA Coordinator, Department of Architectural Engineering

E-System is a reliable and quantifiable System, enables academic teaching staff to use his/her own platform to present the academic and scientific activities online. This will help the Directorate of the Quality Assurance at Cihan University to evaluate and score the staff scientific achievement in a transparent and efficient way. This is an advanced step towards a paperless online

Comparison

Schools and universities can set up free Google Apps accounts with their own domain name, where they can give all student and faculty access to a variety of tools, including a GMail account, iGoogle portal, Google Groups for collaboration, and Pages, for creating websites. Each user can also use their GMail account to activate other Google services, such as GoogleDocs.

يمكن للمدارس والجامعات إعداد حسابات تطبيقات جوجل الحرة مع اسم النطاق الخاص بهم، حيث أنها يمكن أن تعطي جميع الطلاب وأعضاء هيئة التدريس الوصول إلى مجموعة متنوعة من الأدوات، بما في ذلك حساب بريد يمكن لكل مستخدم .جوجل، بوابة صفحة أي جوجل، مجموعات جوجل للتعاون، والصفحات، لإنشاء مواقع الويب أيضا استخدام حساب بريد جوجل لتفعيل خدمات جوجل الأخرى، مثل وثائق جوجل
